

## Callia Bella Majestic Malbec 2024

### BACKGROUND

Established in 2002, nestled in Argentina's San Juan region, Bodegas Callia embodies modernity and innovation. This well crafted range of wines exudes freshness and vibrancy, boasting an inviting fruit-forward profile that promises exceptional value for consumers. Sourced from vineyards employing sustainable practices, the winery is steadfast in its commitment to preserving local ecology and conserving resources for the region's future.

### TERROIR & VINTAGE NOTES

Bodegas Callia is situated in the Tulum Valley in Argentina's province of San Juan. It is nestled between the Pie de Palo hills to the north and the Cerro Chico Del Zonsa to the south. Two finca estates encompass 700 acres of land: Finca Pie de Palo and Finca 9 De Julio. At 630 meters above sea level, the area is blessed with a temperate climate, low rainfall, and rich sandy alluvial and clay loam soil; the result is intense and fruity wines that reflect the rich terroir of this region.

### WINEMAKING & AGING

This varietal was fermented at an initial temperature of 75°F and completed at 79°F to preserve its characteristic fruity style. After fermentation, the wine remained in contact with the skins for three or four days for its period of post-fermentation maceration. It was then aged in contact with French oak wood for four months to undergo malolactic fermentation.

### TASTING NOTES

Red fruit aromas with notes of chocolate and caramel. Smooth and well balanced with rich notes of plum and ripe cherry with a hint of vanilla.

### ORIGIN

Tulum Valley, San Juan, Argentina

### GRAPE VARIETIES

Malbec

### SIZES

750ml

### TECHNICAL DETAILS

ABV: 12%, TA: 6.01, RS: 32, Ph: 3.71,  
Closure: Screw Cap

### WINEMAKER

Gustavo Daroni
