

# Le Blanc de Greysac 2023

## BACKGROUND

Château Greysac, located in the Médoc hamlet of Begadan, north of St. Estephe, was built in the 1700's. Château Greysac was purchased by Jean Guyon in 2012. Today, the chateau's characteristic style for its Medoc wine is one of great aromatic finesse, combined with precise, sumptuous fruit flavors that develop in elegance and complexity over time. Le Blanc de Greysac is the perfect complement to the Medoc and the special estate-bottled project of proprietor, Jean Guyon.

## TERROIR & VINTAGE NOTES

The grapes were harvested at night to preserve the freshness of the fruit. The vines, averaging 15 years old, are from carefully selected parcels of clay-limestone soils.

## WINEMAKING & AGING

The grapes are from Chateau Greysac's estate. They were harvested at night to preserve the freshness of the fruit. The wine is vinified in thermo-regulated stainless steel tanks and bottled in stelvin closure to preserve its aromatic complexity.
