

Crémant de Limoux Rosé Brut VVE

BACKGROUND

Innovation and a passion for the Languedoc are what drives Jean-Claude Mas. Since taking the helm of his family's winery in 2000, he has prioritized sourcing the highest quality grapes to craft wines of authenticity and refinement. His range of Côte Mas crémant wines are made in the traditional method, whereby the second fermentation takes place in the bottle. They are produced at the Château de Martinolles estate in Limoux, the birthplace of sparkling wine production in France! Indeed, close by the Côte Mas restaurant is the Saint Hilaire Abbey in Limoux, where, back in 1531, the first sparkling wines of France were produced.

TERROIR & VINTAGE NOTES

Vines are planted on clay and limestone soils at an elevation of 820 to 920 feet asl.

WINEMAKING & AGING

Vines are planted on clay and limestone soils at an elevation of 820 to 920 feet asl. Fermentation takes place in stainless steel vats. After primary fermentation, the "Liqueur de Tirage," a blend of sugar and yeast, is added to the juice a few hours before bottling. After one year of aging in the bottle, the lees are expelled and the "Liqueur de Dosage" is added and aged an additional twelve months.

TASTING NOTES

A lovely pink with delicate and persistent bubbles. Refined scents of honeysuckle, peach and apricot lead way to a soft mouthfeel of grapefruit and a hint of blood orange. An excellent aperitif that pairs well with all styles of cuisine.

750ML

CÔTE MAS

ORIGIN

Crémant De Limoux AOC,
Languedoc, France

GRAPE VARIETIES

70% Chardonnay, 20% Chenin Blanc,
10% Pinot Noir
