

Syrah Grenache Pays d'OC IGP 2025

BACKGROUND

Innovation and a passion for the Languedoc are what drives Jean-Claude Mas. Since taking the helm of his family's winery in 2000, he has prioritized sourcing the highest quality grapes to craft wines of authenticity and refinement. His range of Côte Mas Sud de France 1L blends convey the warmth, beauty, and grace of this southern French region. With playful labels of rustic picnic scenes, they embody Jean-Claude's philosophy of le luxe rural, or rural, everyday luxury. 20% of estate vineyards are farmed organically; the rest is farmed using sustainable practices, certified under Terra Vitis.

TERROIR & VINTAGE NOTES

Soil is composed of clay, limestone, and some schist, especially where the Carignan is grown. The Mediterranean climate is warm and dry, with some regulating influence by the Atlantic ocean.

WINEMAKING & AGING

Soil is composed of clay, limestone, and some schist, especially where the Carignan is grown. The Mediterranean climate is warm and dry, with some regulating influence by the Atlantic ocean. The grapes are destemmed and each variety is vinified separately. Short skin contact at controlled temperature for the Grenache and Merlot. Six to eight days skin contact for the Carignan and Syrah. The grapes are then gently pressed through a pneumatic press. Only the free-run juice and the first press is used. This process is to obtain maximum fruit flavor intensity while preserving natural acidity and aroma.

TASTING NOTES

Plum and raspberry with a spice touch. Smooth, soft, ripe berry flavors with hints of licorice. Best served slightly chilled.
