

## Clos Saint Denis Grand Cry

### BACKGROUND

The historic Domaine Bertagna once belonged to the Cistercian monks, famous for founding the Clos de Vougeot in the 13th century. The estate's cellars and vineyards are located in the heart of the village nearby the Château and its ancient Chapter House. The winery has been owned by the world-renowned Reh family since 1985 and is managed by Eva Reh-Siddle. With 18 wonderfully diverse appellations across the region, 12 of which are Premier and Grand cru, Bertagna is among the top ranking Domaines in Burgundy. A desire for perfection and emphasis on quality, coupled with significant investments in technology and vineyard management, result in some of the region's most compelling wines. Domaine Bertagna is perhaps best known for its elegant, silky red wines, but it also produces one of the world's rarest white wines – Vougeot 1er Cru Blanc "Les Cras" from the Côtes de Nuits.

Clos St. Denis located between the Clos de la Roche and Clos des Lambrays in the celebrated village of Morey. The soils are red mineral laced clay with limestone rocks and limestone subsoil which provides excellent drainage. After strict pruning and a mid-season green harvest to control yields, the grapes are hand-picked in small boxes with hand-sorting at the vineyard and the winery to ensure only the finest grapes. Destemming is followed by pre-fermentation cold maceration is followed by alcoholic fermentation at 82°F, with malolactic fermentation in barrels.
