

Invivo X, SJP Spicy Jalapeño Sauvignon Blanc

BACKGROUND

Invivo X, by Sarah Jessica Parker is created with New Zealand-based Invivo Wines, in what Parker describes as a very collaborative process. The collaboration covers every aspect of the new wine, from naming and label design to the winemaking itself. Invivo winemaker Rob Cameron explains: "This wine is 100% Sarah Jessica Parker. So other than selecting the base wine from New Zealand (Sauvignon Blanc), I take a back seat and let her create the blends." Sarah Jessica's first ever wine was perfected in May 2019 when Invivo founders Tim Lightbourne and Rob Cameron traveled to New York City to create her new Sauvignon Blanc. For vintage 2023, Invivo and SJP are toasting to five years of making delicious, award-winning Sauvignon Blanc together!

TASTING NOTES

The nose is expansive, complex and elegant. Guava, orange blossom and lime zest combine to give a lifted yet refined aromatic experience. The wine begins broadly in the palate, seeking all available tastebuds, and then expands further with notes of passionfruit, ripe pepper and candied lemon rind throughout the mouthfeel. Texturally, the wine is full-bodied, accompanied by sublime acidity that counterpoints the abundance of complex flavors. Superb on its own or with your choice of cuisine.
