

Sauvignon Blanc Lolonis Vineyard 2024

BACKGROUND

Located in the rugged terrain of northern California, near the banks of the Upper Russian River and the foothills of the Mayacamas, Saracina Vineyards encompasses a 400-acre working ranch and California Certified Sustainable winery. Amidst breathtaking vistas and rolling hills, this biodiverse estate boasts a grove of 140-year-old olive trees, vegetable gardens, beehives, alpacas, goats, and a variety of native wildlife. Family lies at the core of the estate—a principle upheld since its establishment in 2001. Since 2018, the Taub family has proudly stewarded the land, forging an even stronger foundation for excellence through extensive soil analysis and pioneering a full organic conversion and water conservation system. With Saracina Vineyards, the Taub family is committed to bringing Mendocino to the forefront of quality winemaking, showcasing the unique terroir and dedication to sustainability that define their approach.

TERROIR & VINTAGE NOTES

The growing season was marked by very low precipitation, with some of the lowest yields and cluster weights ever recorded. The trade-off, concentration of fruit, was simply astounding. We harvested both the Sauvignon Blanc and a drop of Sémillon on September 27.

WINEMAKING & AGING

The grapes were hand-picked, whole cluster pressed, and barrel fermented with native yeast in 4- and 5-year-old Burgundian barrels. The wine did not undergo malolactic fermentation. Acid levels were brilliantly elevated, and the concentrated berries produced excellent fruit intensity and weight. The juice remained on the lees for 5 months with just a single batonnage.

TASTING NOTES

Our 2024 Lolo opens with floral and citrus aromas. The palate begins with invigorating, green, spring-like notes, and with time in the glass, the texture deepens, and the concentration of this amazing vineyard becomes evident.

ORIGIN

Redwood Valley, Mendocino County,
California, United States

GRAPE VARIETIES

100% Sauvignon Blanc

SIZES

750ml

TECHNICAL DETAILS

ABV: 13.5, TA: 8.1, Ph: 3.05, Closure:
Cork
